

Resolution authorizing the Franklin County Engineer to enter into a contract modification with M.P. Dory Company for the Traffic Signal Maintenance Program, an increase of (\$35,300.00) (Engineer)

WHEREAS, on January 29, 2013, the Board approved Resolution No. 0040-13 awarding the contract for the Traffic Signal Maintenance Program to M.P. Dory Company for the amount of Three Hundred Eighty Nine Thousand Four Hundred Fifty One dollars and Fifty cents, (\$389,451.50); and

WHEREAS, each year, vehicles are counted at one-third of the traffic signals the County Engineer maintains. Traffic timings and equipment are evaluated and adjusted, which reduce vehicle emissions that harm the environment, optimize capacity, and minimize wait times which saves taxpayers in vehicle operating expenses and time; and

WHEREAS, subsequent to awarding the contract, unexpected changes to the electronic timing equipment and loop detectors were required as part of the traffic signal retiming, which resulted in a contract modification; and

WHEREAS, the total cost of this contract modification shall not exceed Thirty Five Thousand Three Hundred dollars and zero cents, (\$35,300.00), as evidenced by the attached Purchase Order Proof List, which has been pre-certified by the Franklin County Auditor;

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS,
FRANKLIN COUNTY, OHIO:

Section 1) That the Franklin County Engineer is hereby authorized to enter into a contract modification with M.P. Dory Company for maintenance services for the Traffic Signal Maintenance Program, as detailed herein.

Section 2) That the total cost of this contract modification shall not exceed Thirty Five Thousand Three Hundred dollars and zero cents, (\$35,300.00).
